# Wild Hog Workshop

Neshoba County Extension Office

## Wild hogs cause more than \$66 million in property damage in Mississippi every year.

The Neshoba County Extension Office welcomes hunters, landowners, forestry, and cattle producers to attend a wild hog damage workshop to view a hog trap demonstration and learn new skills on how to identify damage and effectively control wild hogs on your property.

### Topics and speakers:

**Wild Hog Damage and Control-** Carson Dewberry, Extension Agent

**Wild Hog Control Program-** Sam Martin, MDAC Nuisance Wildlife Specialist

**Trap Demonstration-** John Gruchy, MDWFP

# January 23rd 12-1:30 pm

### ADDRESS

12000 Hwy. 15 N.

Philadelphia, MS
